NCEES Issues List of Calculators Permitted in Examination Room

The National Council of Examiners for Engineering and Surveying (NCEES) has approved a list of calculators for the April and October 2007 exam administrations. The following models are the only calculators that will be permitted in the examination room for the 2007 exam administrations:

Hewlett Packard—HP 33S
Casio—FX115MS or FX115MSPlus
Texas Instruments—TI 30X IIS
Texas Instruments—TI 36X Solar

Each year, NCEES will review and revise the approved calculator list and then announce the updated list by November 15.

Please distribute the above list accordingly. For more information, please see the Calculator Policy at www.ncees.org or call NCEES headquarters at 864-654-6824.

NCEES develops licensing examinations for the engineering and surveying professions. These examinations are used by engineering and surveying licensing boards across the United States as part of their candidate assessment process. NCEES also provides examination scoring and administration services to licensing boards, as well as a variety of other products and services to engineering and surveying professionals. NCEES headquarters is located in Clemson, S.C.
